Fun Times a head!

Dear Brothers and Sisters in Christ.

We have arrived and are out first night stop. There is a group of 28 people from Simpson Woods UMC traveling with us. Each trip down

here I am amazed at the improvements that are happening. I can't help think that we are playing a part in that. The roads were much better and faster today (concrete). I can remember the first year I came that to get to this point in a school bus on dirt roads we were beat to death. Today most were just tired from the long travel.

The people seemed to be much more well dressed and more children were in school than before. Also, we had more people asking where and what we would be doing here. A sign that witnessing can happen in many ways.

I am excited by the young people in both groups that are here. They will make a big difference to the people of Honduras not only with their work but with their love.

Until tomorrow night (if we have internet access).

A Note from Julie Pereira

Hi Everyone,

Greetings from Juticalpa Honduras!!! We made it safely to our first nights stay. The countryside is beautiful. It was like we were traveling through Texas, Colorado, Tennessee all on the same drive.

The bus ride was comfortable. Looking forward to getting to the ranch tomorrow.

4:00 am comes Early Saturday.

Keep us in your prayers as we start our travel this Saturday morning at 4:00 am. It will be worth it.

We are packed!

Just a few tools and we are ready to go!

A Note form Tom Schnepf

Hey folks, We have had a great day today! 2 groups on separate airlines, all arived safely, smoothest airport days we have ever had. I know that is due to the army of prayer warriors out there lifting our team up. So many, many thanks to you. This is a

great team you have sent, I am looking forward to them meeting our friends in Rincon Grande. Pat and kids, and grandkids, I love you all.
